MEMORANDUM FOR: Deputy Director (Support)

SUBJECT: Senior Management Seminar, 10-22 October 1960

1. As one of the initial group of Agency employees which attended the 10-22 October Senior Management Seminar, I consider the exercise to have been exceedingly worthwhile and I hope that it will be offered again to similar Agency groups. The curriculum, its presentation by [redacted] and the necessary participation of the group were excellent and, accordingly, I would think it unwise to change any part of the program prior to a repeat performance. Certainly the use of the O/TR training facility, housing, etc., away from Washington and attendant distractions contributed greatly to the success of the course and provided for pleasant and fruitful group associations.

2. I am well aware of your personal interest in and sponsorship of the seminar and wish to express my thanks for the opportunities which your efforts made possible. Similarly, I am grateful to Matt Baird, [redacted] and company for the thoroughly competent manner in which every aspect of the program was carried out.

3. Mr. Lundahl, the Director of the Photographic Intelligence Center, is aware of my very enthusiastic endorsement of the seminar, and I believe you may count upon his interest in attending course number two. Any further testimony I can provide in support of future senior management seminars will be gladly given.
